TO OUR STAKEHOLDERS

2019 Annual Report - *Veterans*

STRATEGIC HIGHLIGHTS

In 2019, the office identified three strategic goals addressing important aspects of benefit delivery to our veteran community. The first aimed at personnel development. The second, enhanced outreach. Finally, developing the veteran benefit delivery network. These goals concentrated effort on increasing the outreach, and effectiveness of our office in delivering benefits and services to our clients; the veterans of Waupaca County and their dependents.

FINANCIAL HIGHLIGHTS

The Waupaca County Veterans Service Office operates under State of Wisconsin Statute 45, at the pleasure of the Waupaca County Board of Supervisors, the Waupaca County Veterans Service Commission, and the citizens of Waupaca County. Cindy, Julie, and I are humbled and honored to provide services to our veteran community free of charge. In CY 2019, our office provided \$6,794.00 in direct emergency assistance and \$5,920 for care of veteran's graves. In FY 2018, our office assisted the County Veteran population (~4,281) receive a total of over \$45.2 million in earned Federal Benefits from the U.S. Department of Veterans Affairs (according to the Geographic Distribution of VA Expenditures for FY18 NCVAS, USDVA).

OPERATING HIGHLIGHTS

This year, Jesse continued the process to complete Certified Veterans Advocate (CVA) training through the National Association of County Veterans Service Officers (NACVSO). The CVA certification program seeks to improve the participant's claims preparation and processing skill-set enabling enhanced analysis and strategic development aimed at improving benefit outcomes for the veterans of Waupaca County. In March, we held the third biennial Veterans Benefit Expo hosting 38 vendors and 52 guests. In October, we held the third biennial Fall Gatekeeper/Stakeholder Professional Development event, hosting 3 agencies providing professional veteran-centric information to 24 important community gatekeepers. Throughout the year we coordinated with the Waupaca County Register of Deeds in the effective implementation of the digital DD214 project. These successful efforts prove our resolve to improve the consistency, efficiency, and effectiveness of our office in delivering benefits and services. Thanks to all the agencies and individuals who assisted our office and our county veterans this year.

LOOKING AHEAD

The work of the Waupaca County Veterans Service Office is more important than ever. Since 1934, the concept of our office has been to provide a local veteran advocate who links local veterans with benefits and services. That focus remains as relevant today as it was in 1934. The state of Wisconsin and Waupaca County, in particular, should be proud of the CVSO model. We look forward to continued engagement with the veteran community as our moral obligation and honored duty.
