STRATEGIC HIGHLIGHTS

In 2022, the Waupaca County Veterans Service Office focused our effort toward accomplishing strategic goals aligned with our Mission, Vision, and Values. Specifically, we concentrated on refining internal office operations to increase our effectiveness in providing public value to the veteran community. Through this biennial effort, we remain committed to our path of continual improvement.

FINANCIAL HIGHLIGHTS

The Waupaca County Veterans Service Office operates under State of Wisconsin Statute 45, at the pleasure of the Waupaca County Board of Supervisors, the Waupaca County Veterans Service Commission, and the citizens of Waupaca County. Cindy, Craig, Dan, and I are humbled and honored to provide vital public services to our veteran community. In CY 2022, our office provided \$6,902.47 in direct emergency assistance and \$5,695 for care of veteran's graves. In FY 2021, our office assisted the County Veteran population (~4,178) receive a total of over \$47.8 million in Federal Benefits from the U.S. Department of Veterans Affairs (according to the Geographic Distribution of VA Expenditures for FY21 NCVAS, USDVA). Finally, economic analysis indicates a positive economic impact to state and local taxes of \$2.1 million.

OPERATING HIGHLIGHTS

Our staff continued to demonstrate seamless agility ensuring first-class benefit delivery throughout CY2022. In February, we completed a welcoming and professional refresh of our office waiting area. In celebration, we hosted an open house event inviting our colleagues from the Green Bay Vet Center and Wisconsin Department of Workforce Development's Disabled Veteran Outreach Program Specialists. In April, Jesse presented information on the rural veteran community in support of the Wisconsin Department of Veterans Affairs Combating Veteran Suicide Regional Forum held at the FVTC D.J. Bordini Center in Appleton. In May, we completed a cleaning and reorganization of the Memorial Wall of Honor located in the third floor of the Courthouse. In August, we spoke at the Veterans Program at the Waupaca County Fair. In September, we completed a re-branding of the office logo and "I Served" veteran stickers. We promoted the re-brand and stickers on our newly launched Instagram Page. In October, we co-hosted a site visit and tour with our CVSO colleagues at the Central Wisconsin Veterans Memorial Cemetery in King. Between November 1st and 15th, we lit up the courthouse in green light each evening in partnership with the National Association of Counties for Operation Green Light for veterans to raise awareness regarding the availability of veteran services. On November 1st, we launched the VET-GP veteran entrepreneur grant program in coordination with our partners in support of veteran entrepreneurs in Waupaca County. In December, we hosted a Senior Wellness Mini-fair with partner agencies taking advantage of the Medicare Open Enrollment period and highlighting some new advantage plans. Throughout the year, we continued to provide exceptional veteran benefit delivery, make monthly radio appearances, receive and distribute multiple donations, promote veteran events throughout the county, and completed onboarding our Office Support Specialist, Dan Wierichs.

LOOKING AHEAD

The work of the Waupaca County Veterans Service Office is more important than ever. Since 1934, the concept of our office has been to provide a local veteran advocate who links local veterans with benefits and services. That focus remains as relevant today as it was in 1934. The state of Wisconsin and Waupaca County, in particular, should be proud of the CVSO model. We look forward to continued engagement with the veteran community as our moral obligation and honored duty.
