RE: Broadband Expansion Study – RFP23-003-41

Notification of Bid Award

On the morning of April 18, 2023, the Finance Committee held a special meeting where they considered the results from the Broadband Expansion Sub-Groups interviews. Ultimately, the Finance Committee made a motion to accept the recommendation of the sub-group to recommend awarding the contract to Finley Engineering. Following the Finance Committee meeting the County Board then considered the recommendation and decided to award the contract to Finley Engineering.

I sincerely thank everyone for their interest in addressing this very important challenge in Waupaca County and I also very much look forward to working with Finley Engineering.
